Abyssinica SIL - Design

Abyssinica SIL is based on Ethiopic calligraphic traditions.

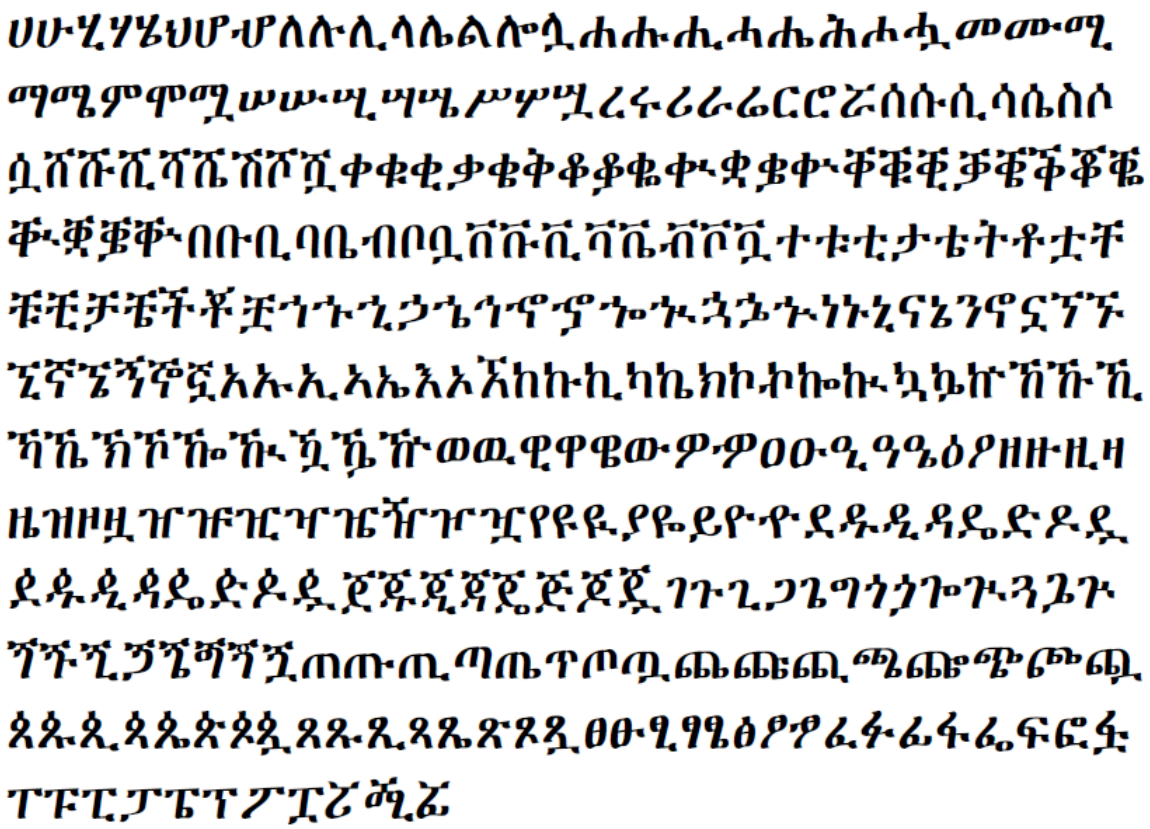
One font from this typeface family is included in the *Abyssinica SIL* release (no bold or italic version available or planned):

- Abyssinica SIL Regular

Type Samples

Type samples showing some of the inventory of glyphs can be found here: Abyssinica SIL Type Sample.

A sample from one page is shown below.



Abyssinica SIL Sample - Ethiopic syllables
